

## SEPARATE PROPOSAL

In addition to the regular budget, the Board of Education will seek approval from the district's legal voters to raise an additional \$360,000 for field trips, after school extracurricular activities, school sponsored athletics, restoration of fulltime Spanish, Art, Music, Basic Skills and English as a Second Language positions and purchase of computers. The taxes, if raised, will be used exclusively for these purposes. Approval of these taxes will result in a permanent increase in the district's tax levy. The proposed additional expenditures are in addition to those necessary to achieve the Core Curriculum Content Standards.
